EMAIL ARCHIVING VS EMAIL BACKUP

	Email Archiving	Email Backup
Purpose	Long-term data retention, compliance, legal support	Data recovery in case of loss, system failures
Retention Period	Longer (for compliance)	Shorter (for recovery)
Accessibility	Easily search and retrieve specific emails	Typically used for entire mailbox/server restoration
Data Handling	Can be modified based on retention policies	Data remains unaltered until restoration
Legal Compliance	Supports legal discovery, compliance	Not primarily designed for legal needs
